

Easter at St Christopher's

FRIDAY 11th April
6pm

GOOD FRIDAY
10:30am

We will gather together in the Church at 10:30 to engage with the story of the first Good Friday before having an opportunity to explore the story further with crafts, activities and games. A perfect chance for 0-90yr olds to hear the old story in a new way. Hot cross buns and refreshments will be served too, all free of charge. You would be very welcome to join us to find out what's so good about 'Good Friday'.

Easter Sunday
10:30am

We will celebrate the resurrection of Jesus with an all-age communion service. After the service will be an eggciting easter egg hunt, with chocolate eggs for all participants, free of charge. We know some people worry about children making noise, but we really are ok with noise and love welcoming Children of all ages. There is plenty provided to help them participate and keep them engaged.
